

CURRICULUM VITAE FOR AMIEL SOMARU

Personal Information

Address: 5 Delagoa Street, Secunda, 2302

Phone: 072 524 3008

Email: amielsomaru@gmail.com

ID Number: 0209255347087

Date of Birth: 25 September 2002

Gender: Male

Nationality: South African

Marital Status: Single

Driver's License: Code B

Health: Good

Criminal Record: None

Career Objective

Software Developer with a BSc in Information Technology and hands-on experience in backend development, cloud deployment, and modern software engineering practices. Experienced with C#, .NET Web APIs, Azure cloud services, and SQL-based data access. Passionate about building reliable software solutions and continuously expanding technical expertise in professional development environments.

Education

BSc in Information Technology:
North-West University,
Potchefstroom (2021 – 2025)

National Senior Certificate:
Hoërskool Secunda
(Graduated 2020)

Work Experience

Software Development Work Experience Project – Khanyisa Real Systems | Jan 2026 – Feb 2026

- Developed backend services using C# Web API (.NET) for a purchase order system.
- Implemented data access using Dapper with Microsoft SQL Server hosted in Azure.
- Deployed applications to Azure Web App using GitHub Actions (CI/CD).
- Applied Test-Driven Development (TDD) with automated tests.

- Used Git workflows, including branching strategies, pull requests, and code reviews.
- Monitored applications using Azure Application Insights.
- Participated in system architecture modelling using C4 modelling.
- Integrated backend services with a Svelte frontend.
- Utilized AI-assisted code generation with structured prompts and human code review.

Reference:

Ayesha Bagus - ayesha.bagus@krs.co.za

Student Assistant (Demi) – CMPG111 (Introduction to Programming) – North-West University | 2023 – 2025

- Assisted lecturer during lectures, tests, and practical labs.
- Guided first-year students in Python programming fundamentals.
- Provided academic support and troubleshooting.
- Helped students understand programming logic, syntax, and core programming concepts.
- Fostered a positive and inclusive learning environment.

Prof Hano Strydom – 072 200 7497

Prof Pheny Modisane – 071 628 6374

IT Vacation Work Intern – Komatsu, Wadeville | Dec 2024 – Jan 2025

- Delivered IT support during a laptop replacement project.
- Migrated user data, installed software, and configured accounts.
- Loaded company Windows OS via IPv4-based network imaging.
- Wiped and prepared old laptops for resale.
- Installed SIM card modules in selected laptops.
- Used enterprise tools such as Zscaler and Bomgar to assist users remotely.

Reference:

Tony Soares – 082 446 4001

IT Support Assistant – Move to Outlook (M2O) Project – North-West University, Potchefstroom Campus | 2022

- Supported university-wide migration from GroupWise to Microsoft Outlook.
- Created and configured Outlook accounts for academic and administrative staff.

- Transferred emails, contacts, and archived data to new Outlook profiles.
- Set up Outlook on desktops, laptops, and mobile devices.
- Provided one-on-one technical support and training during the transition.

Technical Skills

Software Development:

C#, .NET Web API, Python, Java, C++, Delphi

Cloud & Backend:

Microsoft Azure, Azure Web Apps, Azure Application Insights

Databases:

Microsoft SQL Server, Dapper

Frontend:

HTML, Svelte

Development Practices:

Test-Driven Development (TDD), SCRUM, Pair Programming, Extreme Programming

Version Control & DevOps:

Git, GitHub, GitHub Actions (CI/CD)

Systems & Networking:

Windows 10/11 Imaging, IPv4 Network Imaging, SIM Module Hardware Setup, PC Assembly and Hardware Upgrades

Software & Tools:

Microsoft Outlook, GroupWise, Zscaler, Bomgar

Support & Training:

Technical troubleshooting, PC/laptop/mobile setup, email migration, user training, Python tutoring

Soft Skills

- Strong communication
- Quick learner and adaptable
- Analytical thinker
- Team player and collaborator

Languages

English – Fluent

Afrikaans – Fluent

Interests and Hobbies

Golf, Reading, Car Restoration, Mechanical Activities, Programming, DIY Projects

Virtual CV: <https://infinitelyaimz.github.io/amielsomaru/>

Certificates:

Software Since '87

Certificate of Attendance

This is to certify that

Amiel Somaru

Successfully completed a six week work-experience project
at Khanyisa Real Systems (Pty) Ltd

From 19th January- 27th February 2026

Alain King
Director

Lorraine Steyn
CEO

Work-Experience Project

Technical experience:

- Backend development with C# Web API (.NET 10) for a production-style purchase order system
- Data access using Dapper and stored procedures with Microsoft SQL Server hosted in Azure
- Cloud deployment to Azure Web App using GitHub Actions (CI/CD)
- Application monitoring and diagnostics using Azure Application Insights
- AI-assisted code generation with structured prompt design, followed by human review for quality, consistency and maintainability
- Test-driven development (TDD): designing and implementing automated tests throughout the development process
- Version control and team workflows: branching strategies, pull requests and collaborative code reviews
- Architecture and solution modelling using C4 modelling
- Frontend integration using the Svelte framework (after backend completion)
